Weather being what it is, my houseguest didn't arrive until very early this morning.

We'll be in when she has had a nap (in process now).

Defend that cake from borders, ensign!

::runs up the skull and crossed fork-and-knife bones::

Hey, did you know that the Jolly Roger wasn't just the skull and crossbones? It was any flag flown by a pirate vessel as a form of psychological warfare, and they were differentiated--I think the heraldic term is "differenced"--to indicate which ship and captain was attacking?

[There's some images here.](#)

Hey, my new rainboots sport Jack Rackham's ensign--arrrrrrh.

That's what made the connection, actually. I thought of it when you posted the picture of the Jolly Roger boots, and decided to attempt my new social skill of being less pedantic while everyone is mid-fret.

As you can tell, I did not last long. 0.0

Poor impulse control.

I like that in my friends.

You probably get paid more to get shot at less.

The cake is a lie.

No cake here.

Nuh uh.

Hey Galatea!

Your shirts are here. Come see what I bought you.

 [cvillette](#)

...it's supposed to take 4-6 weeks.

 [Ometotchtli](#)

[February 13 2008, 14:31:55 UTC](#) [COLLAPSE](#)

So I expedited it.

Ooohhhh.

Of course. Be right over.

 [trollcatz](#)

[February 13 2008, 14:32:50 UTC](#) [COLLAPSE](#)

...that seems like cheating.

 [Ometotchtli](#)

[February 13 2008, 14:35:01 UTC](#) [COLLAPSE](#)

It is cheating. And everybody else cheats as much as possible, too, so it's really just re-leveling the playing field.

And if you're about to say, "But if everybody did that, the system would grind to a halt!" I remind

you what we went through to requisition your new chair. The system has ground, honey.

Now get over here and see how pretty the Platypus looks in burnt orange.

I have never either been in or caused a traffic accident.

Unless you count the one time I was drafting off the truck. But I wasn't in a car, so it doesn't count.

If you don't remember Mom's response to almost exactly that same statement from you back in March, well, I do. (Terror can sharpen the memory in amazing ways.)

And I thought she made a very good point then.

Oh, I see you in cobalt. And dove gray. Oh yes. Come to momma, sweetie. Let's blow off work tomorrow afternoon, and I'll send you home pretty for T. on Valentine's day.
